  Brian Gorman, Ph.D., Colorado School of Mines
- 4 p.m. to 4:20 p.m. — Networking Game

Other IGNITE MSE Events at EMA 2024

IGNITE MSE’s Broader Impacts of Science Poster Session

Poster sessions welcome submissions from researchers who are driven to create a positive impact on society through their scientific endeavors. Contributions aim to make science more relevant, understandable, and engaging to the public, ultimately fostering a positive societal impact and inspiring the next generation of materials scientists.
